Dear Sir or Madam,

Your permit variation is complete

Permit reference: EA/EPR/EP3830LE/V007

Operator: Alba Environmental Services Limited

Facility: Tofts Farm Industrial Estate, Brenda Road, Hartlepool, Cleveland, TS25 2BS

Our determination of your application to vary your permit is complete. We're satisfied that you can continue to carry out your activities in accordance with the variation, without harm to the environment or human health. I enclose a notice showing the changes to your permit. Please keep this in a safe place with your other permit records.

This letter contains web links to other documents. If you aren't able to access these phone our Customer Contact Centre for help.

If you're not already familiar with our document 'How to comply with your environmental permit' please look at it, as this will help you understand how to meet the conditions of the permit. You can find this on our website at <http://publications.environment-agency.gov.uk/pdf/GEHO0410BSFX-e-e.pdf>

Please look at the table below and note any of the information or actions that apply to your permit.

If...	then..
<p>the variation means you are now carrying out a waste operation or activity and need to submit quarterly waste returns on waste movements</p> <p>Note This does not apply to permits that only have stand alone water discharge or groundwater activities.</p>	<p>you can get the forms you need from our website http://www.environment-agency.gov.uk/business/topics/waste/32176.aspx</p> <p>If you do not have web access phone our Customer Contact Centre</p>
<p>you need to submit other returns</p>	<p>send these to your area office. Speak to your area officer to check local arrangements.</p>
<p>your variation has added an installation to your permit for the first time</p>	<p>we've enclosed the pollution inventory letter, notice and fact sheet</p>

Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation alters the amount of waste that can be taken into the site; however the total waste amount remains unchanged.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
